

## **BROKEN FINGER**

**PATIENT**

**Doctor, I hear you are a pain specialist and I have a real problem.**

**DOCTOR**

**Well, let's see what I can do. Why don't you describe what is going on.**

**PATIENT**

***(touches different parts of body as he/she explains)* Well, when I touch here it hurts. And when I touch here it hurts. And here it hurts. And here it hurts. Doctor, what is wrong with me?**

**DOCTOR**

**You have a broken finger!!!**
